## MESSAGE

As we discussed today I am refaxing the reply to the office August 23, 2004, which you again confirmed today was a non-final action. You apparently have not as yet received this reply because I inadvertently made a typographical error in the serial number. I have also hand written the correct serial number on the reply which was first faxed to you on December 20, 2004.

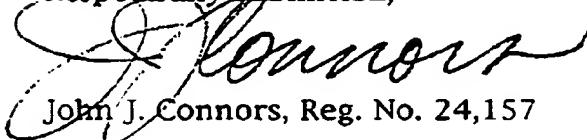

Number of pages 13
